8 Station Square, Suite 10, Rutherford, NJ 07070

# Homes and businesses, one crew.

Ande Brothers paints residential and commercial properties, with a clear scope, a written quote and a clean site every day.

---

## Free written estimates

A clear scope and a clear price

## Homes and businesses

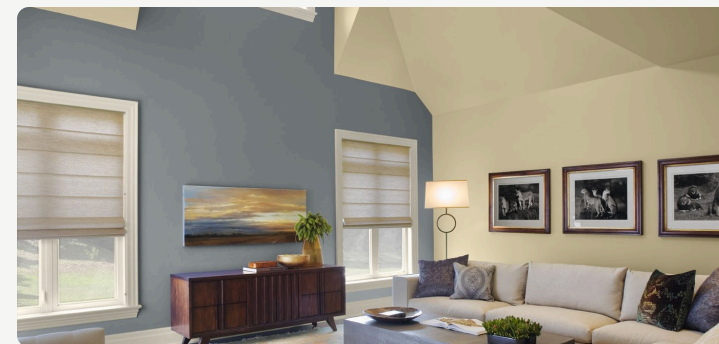

One crew for both

## European experience

Worked in the EU, especially Greece

## Clean job sites

Protected, tidy, swept up daily

# For your home.

## Interior painting

Walls, ceilings, trim and doors with sharp lines and protected floors.

## Exterior painting

Coatings that stand up to weather, built on the prep that makes them last.

## Cabinet refinishing

A kitchen refresh without the cost of a remodel.

## Decks and fences

Stain and sealer that protects outdoor wood and brings the grain back.

## Drywall and plaster repair

Cracks, dents and water stains fixed so they stay fixed.

## Color consultation

Not sure what to pick? Decide before the first can is opened.

# For your business.

## Offices and retail

After-hours and weekend scheduling to keep your doors open.

## Multi-family and HOA

Units, hallways and exteriors on a schedule residents can live with.

## Warehouses and industrial

Tough coatings for floors, steel and high-traffic areas.

## Restaurants and hospitality

Fast turnarounds and finishes that survive constant cleaning.

## Medical and education

Low-odor, low-VOC options for spaces where people spend the day.

## Property turnovers

Quick, consistent repaints between tenants.

# Painters with European experience

We have worked in the European Union, with especially deep experience in Greece. That background gives us a trained eye for detail and finish quality, and we bring the same standard to every home and business we paint here.

- ✓ Hands-on painting experience in the EU
- ✓ Especially deep experience in Greece
- ✓ An eye for detail carried over to every local job

# Color ideas: interiors.

# Color ideas: exteriors.

Navy siding with warm wood accents

Navy with white trim

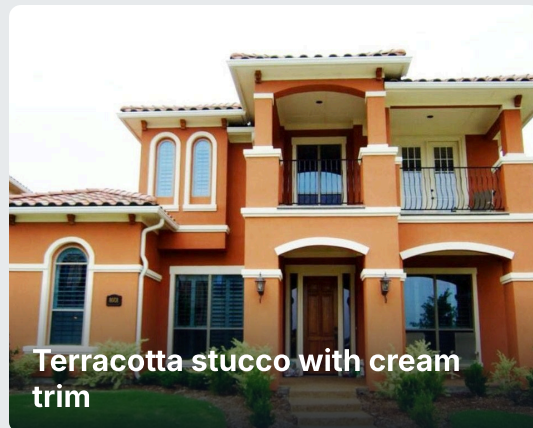

Deep teal with stone

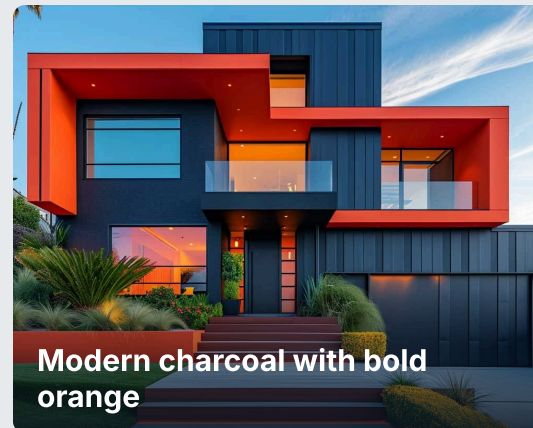

Classic red brick with charcoal

Black with bright white trim

Terracotta stucco with cream trim

Modern charcoal with bold orange

Plum with golden yellow trim

# How a job goes.

1

## Walk-through and quote

We visit, look at every surface, talk through color and scope, then send a written quote.

2

## Colors and schedule

Pick colors with samples on your own walls. We set dates that fit your home or your business hours.

3

## Prep, protect, paint

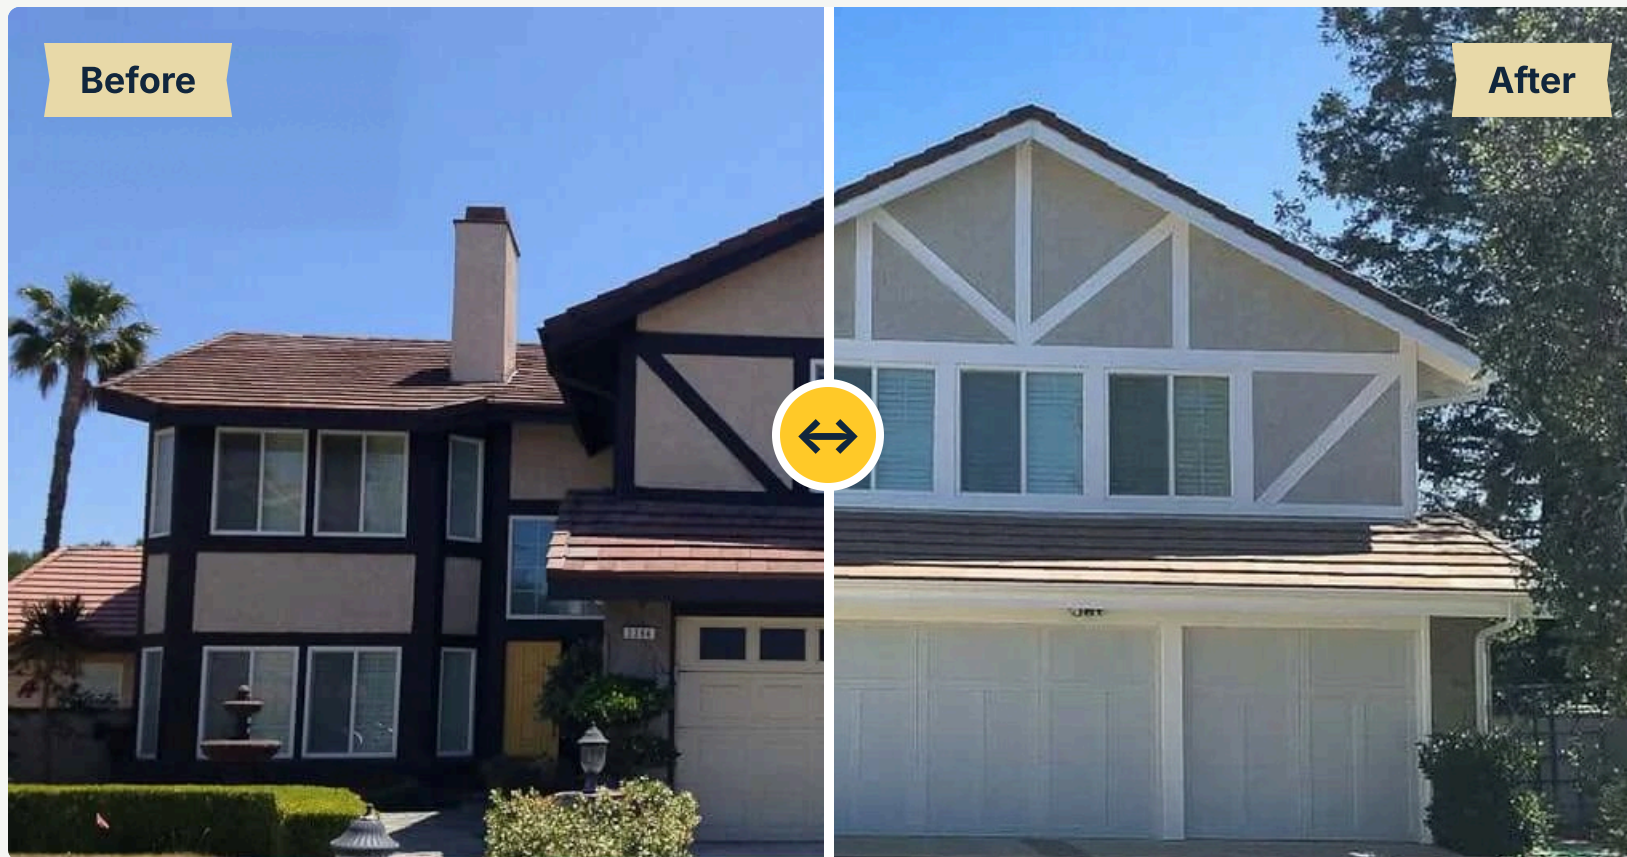

Floors and furniture get covered, surfaces get repaired and primed, then the coats go on.

4

## Final walk-through

We check every edge with you, touch up anything you spot and clean the site before we leave.

# Tired walls, fresh finish.

Peeling, stained and faded surfaces get scraped, washed, repaired and primed before any color goes on. That prep is what makes the finish last.

# Brothers who sweat the details.

Ande Brothers treats every property like our own. That means an honest quote, careful prep, quality materials and a crew that shows up when we say we will.

Whether it's a front door or a whole building, you talk to the people who do the work.

- 
- ✓ Written, itemized quotes
  - ✓ Surface prep done right
  - ✓ Premium paints, including low-odor options
  - ✓ Floors and furniture protected, every day
  - ✓ A final walk-through before we call it done
